DAY 03

Discover Fez

Spend the day exploring Morocco's spiritual and cultural heart. Walk through the UNESCO-listed Medina, where centuries-old souks, workshops and narrow lanes preserve traditions that have endured for generations.

Visit the magnificent Bou Inania Medersa, admire the ornate Nejjarine Fountain, view the historic Karaouine Mosque and witness the famous leather tanneries, where traditional methods continue much as they have for centuries.

The afternoon introduces you to modern Fez before dinner at an acclaimed restaurant.

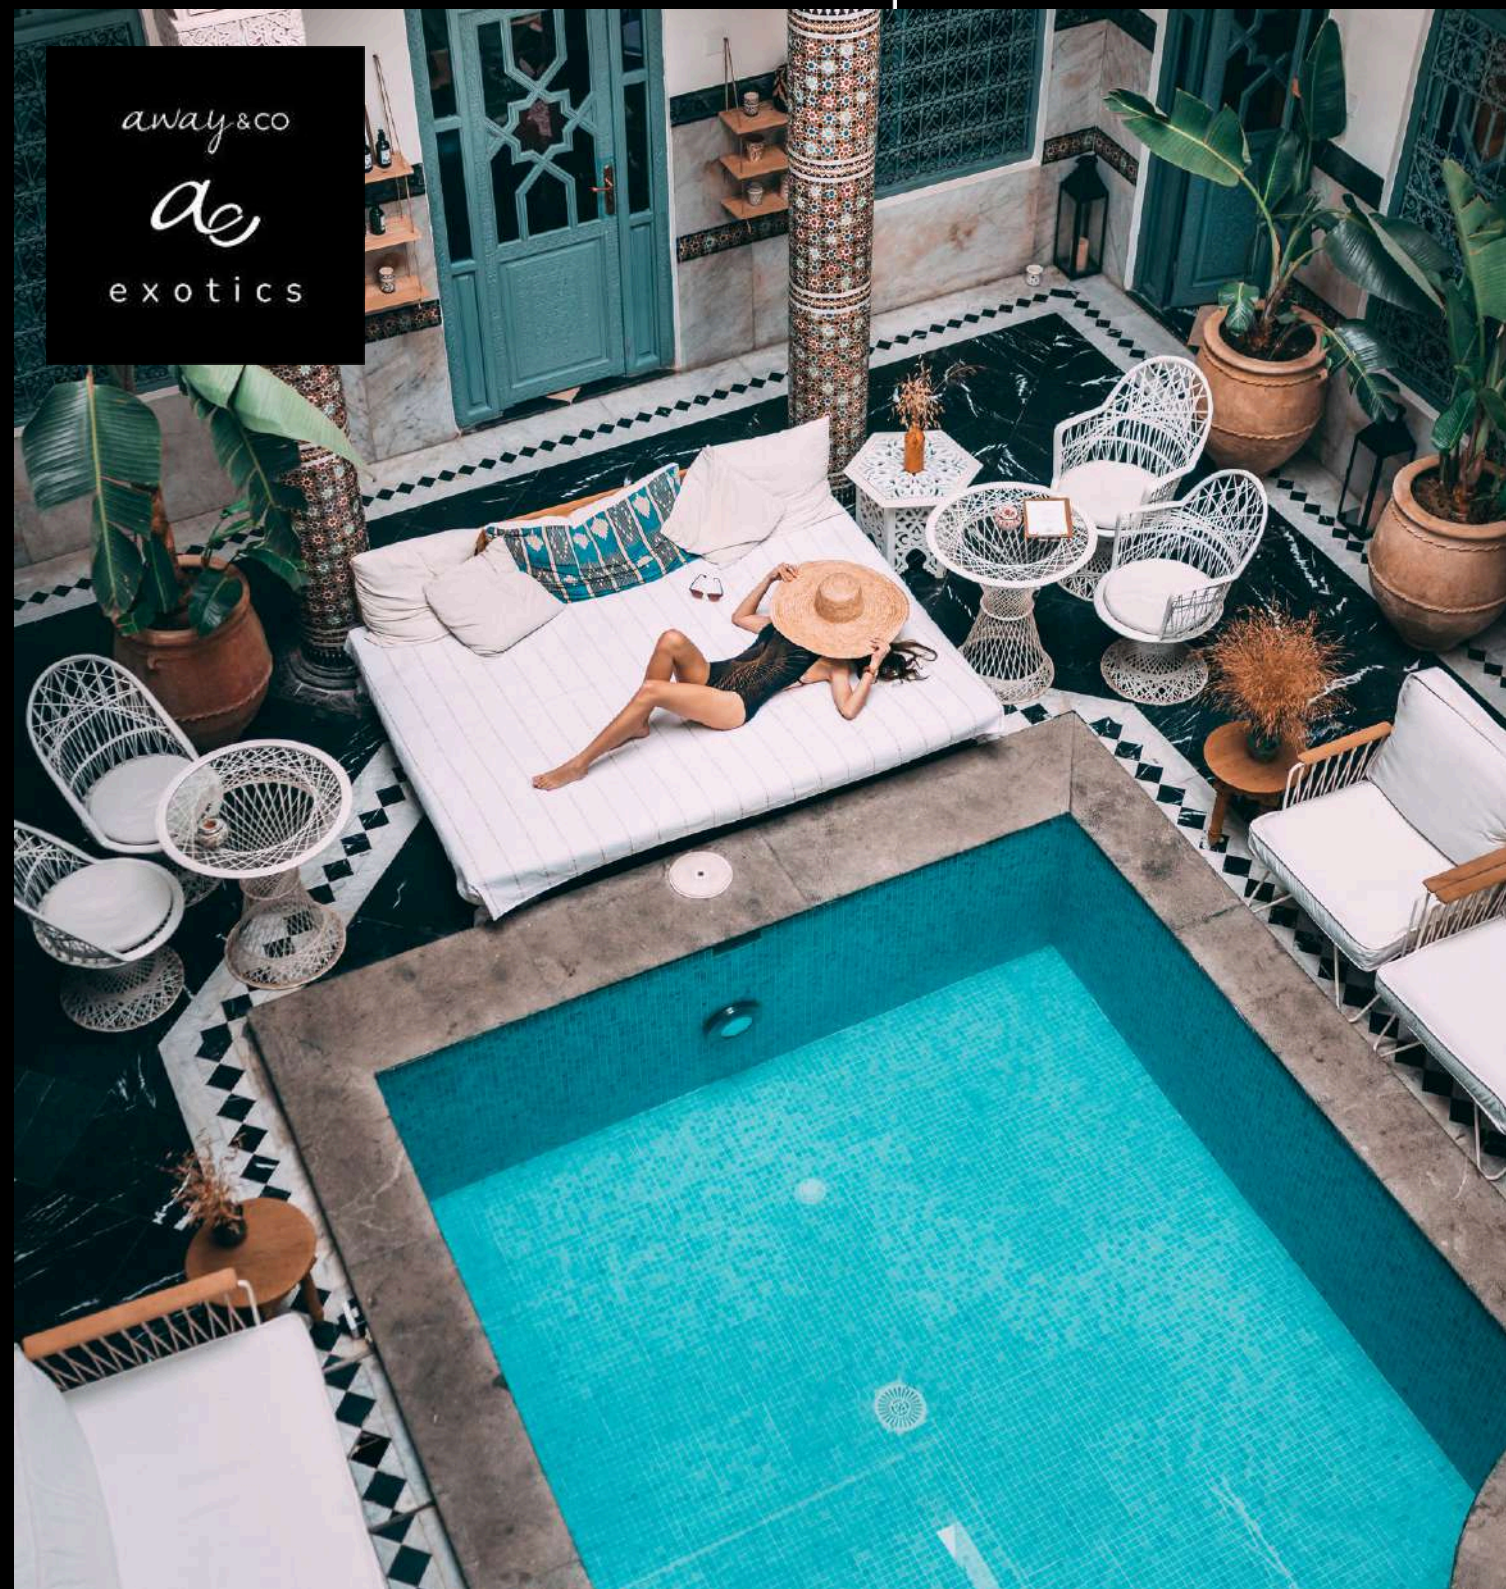

DAY 04

Fez • Meknes • Rabat

Leave Fez for Meknes, one of Morocco's historic imperial cities, where grand monuments recall its royal past. Continue to Volubilis, an extraordinary archaeological site where Roman ruins, columns, and mosaics reveal another layer of Morocco's remarkably diverse history.

After time at leisure for lunch, travel onwards to Rabat, the elegant capital of the Kingdom, for a relaxed evening.

DAY 05

Rabat • Marrakech

Discover Rabat through the imposing Hassan Tower, the beautifully crafted Mohammed V Mausoleum, contemporary Moroccan art, and the atmospheric Kasbah of the Udayas. Pause for traditional mint tea before continuing to Marrakech.

As evening falls, see the Red City from a completely different perspective on a private sidecar ride, weaving through its streets and neighbourhoods with a pause to sample local street food.

DAY 06

Marrakech

Delve into the many layers of Marrakech, from the iconic Koutoubia Mosque to the elegant Dar El Bacha Palace, pausing for its celebrated coffee experience.

Continue to the intricate Ben Youssef Medersa before wandering through the medina's colourful souks and artisan quarters.

Later, explore the Majorelle Garden and Yves Saint Laurent Museum, before ending in Gueliz, where contemporary Marrakech offers an intriguing contrast to the centuries-old medina.
